Located just one block from the ocean, The Beacon House is a picturesque, 1879 Victorian inn situated in the heart of the "Irish Riviera." For more than a century, guests have made this Sea Girt landmark their choice for a relaxing getaway. Just steps from the serene beaches, the boardwalk promenade, and the historic lighthouse, The Beacon House captures the casually elegant atmosphere of a bygone era. Wraparound, columned porches, lined with wicker and rockers for your comfort and enjoyment, frame the two spacious guest houses. Handsome parlors, tastefully appointed with antique crystal and brass chandeliers descending over polished oak floors and reflecting the glow of the fireplaces, welcome you. Beautifully decorated rooms echoing the pure and refined atmosphere of a stately seashore inn invite you to linger. The glistening pool beckons you to unwind alongside on a chaise lounge. Meticulously manicured grounds, highlighted with seasonal flowers and abundant greenery, add to the beauty of the surroundings.

Your Innkeeper, Candy Kadimik, attributes the appeal of The Beacon House to a multitude of features. Beyond the superb setting, numerous renovations have enhanced the original beauty of the buildings. Amenities include private baths, air conditioning, ceiling fans, and color cable television in all rooms; several rooms have private ocean and lighthouse view balconies, fireplaces, spa showers, Jacuzzis, and wireless internet access. Awaken each morning to the aroma of freshly brewed coffee, followed by a memorable breakfast featuring seasonal delights served in our gracious dining room. Bicycles, beach passes, beach towels, sand chairs, use of our private pool, on site parking (limited), and complimentary VIP admission to the Parker House are all included in our rates, as well as the use of our cabana on your check-out afternoon.

After your morning repast, there are countless ways to enjoy each day. The pool and tranquil lounge area are located between the two main guesthouses. The scenic, non-commercial boardwalk and lifeguard-protected bathing and surfing beaches are just steps away. The quaint towns of Sea Girt, and adjacent Spring Lake and Manasquan, offer tantalizing eateries and unique shops to explore. Recreational activities abound, from outdoor tennis courts and public golf courses, to deep sea fishing and whale watching voyages. Explore Sea Girt's historic lighthouse and Allaire State Park's 19th century village. Take in a community theater production in Spring Lake or Manasquan, or enjoy a concert at Ocean Grove's Great Auditorium and stroll the streets of this Victorian National Historic Landmark town. Relax on a riverboat cruise of Barnegat Bay or wager on the horses at Monmouth Park and Freehold Raceway. Jenkinson's in Point Pleasant offers the classic New Jersey boardwalk experience with rides, games of chance, a "Fun House" and an aquarium. Nearby Asbury Park, once a renowned "city by the sea" at the Jersey Shore, is reviving its former grandeur with a host of exceptional restaurants and specialty stores. Or... simply settle into a rocking chair and savor a step back in time to an earlier era.

We invite you to join us at The Beacon House for your seaside getaway at any time of the year. Our stately homes, the wide white sandy beach, and the invigorating ocean breeze will provide you with all the comforts of a pleasant and fulfilled vacation. You will enjoy the ambiance and cherish the memories of your holiday by the sea!

*I look forward to welcoming you soon,
Candy Kadimik*
